Dawn please see the attachment for a suggested change to Paragraph 1 of page 7. Also, I suggest the final sentence of that paragraph (beginning "With regard...") be moved to Section VI. Please let me know if these changes are acceptable. Thanks.

Changes to
12-11-03 EOB Minute

"Mike Olson noted that this is the first time the BOR will see Steam Generator Replacement (SGR) in the budget. He noted that it the budget probably won't be approved if it contains SGR funding ~~there is no word from Edison Board of Directors.~~"
